## WSI APPROVES GOOD LUCK

The Warmblood Studbook of Ireland has approved the international showjumping stallion Good Luck. The Irish federation has short-listed this bay 2006 BWP stallion for the Rio Olympics. Good Luck was bred by Dirk Geerinckx and began his international career under Fabrice Galdini. Good Luck is now shown in top sport by the Irish 2012 Olympic Bronze Medal winner Cian O'Connor, who has patiently brought this horse from 1.45 m. to 1.60 m. classes in the last eighteen months. This handsome stallion with scope to spare, outstanding technique, and a balanced, elastic canter is widely regarded as one of the world's most promising showjumping horses competing in 5\* Grand Prix, Nations Cup, and Championship classes. Good Luck was sired by Canturo (by the progenitor Cantus), a very successful athlete and World Equestrian Games

showjumper under Brazilian rider Bernardo Alves, and is out of the mare Famosa Z (Furioso II x Ramiro). Along with Good Luck, Famosa Z has produced the 1.60 m. showjumpers Kismet and Vangelo des Hazalles, the 1.50 m. showjumper Hadventure du Troleu, and the 1.40 m. showjumper Holiday X. Famosa Z is also the second dam of the 1.40 – 1.45 m. showjumpers Emmanuelle and Golden Gun. The extended damline has produced the international showjumpers Perdona MI and Parker. Semen enquiries may be lodged with WSI, which will pass along the requests to the owners when the stallion takes a rest from sport and enters the breeding shed.
