CONSENT

I give my consent to WSI to obtain, record, and store information about my name, postal address, email address, telephone number, and, if you live in the Republic of Ireland, your Equine Registered Premises Number.

I understand that to comply with the law WSI must obtain, record, and store information about my horse's performance tests and genetic tests. I understand that WSI is required by law to publish this information. This information will be held by WSI in perpetuity to promote the development of the Irish Warmblood breed.

I understand and give consent to WSI to share information on my horses' pedigrees, inspection scores, performance test results, linear profile scores, and genomic/genetic tests and data with other organisations for the purposes of breed management and improvement. This information will be held by WSI in perpetuity to promote the development of the Irish Warmblood breed.

I understand that I have the right to access my information held by WSI, to have any inaccuracies corrected. Except if precluded by legislation, I have the right to have my personal information deleted, and to restrict the sharing of my information.

I understand that I can withdraw this consent at any time by emailing the Studbook Administrator at admin@irish-warmblood.com and communicating my withdrawal of consent.
