I confirm that the original passport has been lost or destroyed and not in possession of a third party. If the original passport is found sometime in the future I commit to return the duplicate passport to WSI. I declare that to the best of my knowledge the information contained in this application is accurate. I understand that ownership is given for WSI administrative purposes and Ireland's Central Equine Database only, and does not infer or confer legal title. I am required to submit a marking chart and/or submit a DNA sample from the horse, with both tasks performed by a veterinary surgeon, if so requested by WSI. By submitting this *Duplicate Passport Application* I agree to be bound by the Rules and Procedures of Warmblood Studbook of Ireland.

I understand that to comply with the law WSI must obtain, record, and store information about my name, postal address, email address, telephone number and Equine Registered Premises Number. I understand that WSI must share this information with the Department of Agriculture, Food & the Marine (DAFM). This information must be held by WSI for a period of at least 35 years or at least 2 years from the date of communication of the equine's death. Information about my horse will be held in perpetuity.

For the sole purpose of payment I consent to WSI obtaining my credit/debit card details for one-time processing of the fee. I understand that the credit/debit card details will not be recorded or stored by WSI.

I understand that I have the right to access my information held by WSI, to have any inaccuracies corrected, and to have my information deleted if WSI is not required by the law to retain the information.

I understand that I can withdraw this consent at any time by emailing the Studbook Administrator at admin@irish-warmblood.com and communicating my withdrawal of consent for WSI to hold any information except information that is required by law to be retained for the period mentioned above.
